Route Description

1. From Bellevue Motor Inn, cross Highway, turn **Right** and follow footpath along Highway to bridge. Walk over bridge, turn immediate **Left** and then **Right**, following waterfront track to the jetty. At the jetty, go immediate **Right**, up the bush track steps (not the road). Follow track, and then road to "scenic binoculars" lookout.
2. Carefully cross Highway, and continue for about 20m over grassy area, then turn **Right** and walk up hill on left side of metal fence to lookout tower.
3. **Question** - What is the visibility of the navigation light? _____
4. Continue on path, between toilet blocks. Follow walking track signs through bush onto gravel road. Turn **Right** where bitumen road commences, to follow track which becomes Seaview Parade.
5. Turn **Right** at sign in front of house number 33, to go down steps to bridge.
6. Cross bridge, then turn **Left** and walk along Marine Parade.
7. **Left at** Bulmer Street, into North Arm Avenue, **Right** into Lambert Street,
8. **Right** into Myer Street, continue along Myer Street to waterfront (cross Highway at traffic lights).
9. Turn **Right** to walk along waterfront, past the tree carvings, back to the Bellevue Motor Inn, to finish.

We trust you have enjoyed your walk.
